## ACCOMMODATION

---

Sociedad Deportiva Rio Sar Shooting Field is located in Trazo, 14kms away from Santiago de Compostela. Being Santiago the nearest location with enough accommodation and guarantee, we decided to leave the accommodation management in hands of a travel agency, in order to make this task easier for both organization and competitors and their companions. 2010 is a year of celebration, being the year of Xacobeo in Santiago de Compostela, and finding medium level accommodation can be difficult if booking isn't made with enough time beforehand.
